19	Caroline / Cottage	Best Buy #6	42	Vandam / Route 50 / Broadway	SSPD 1

Traffic Marshall: _____

Your assignment is the intersection of: _____ Map Number _____

As a Traffic Marshall, the safety of the runners is your first concern, equal only to you own safety.

Please wear your *FC4 Traffic Staff* shirt and the orange vest provided. Also make use of the flags when directing traffic. You have a cone or barricade at your intersection. At 7:45, place the cone or barricade along the centerline of the street intersection you are guarding.

PRIOR TO THE RACE:

You may allow vehicles to cross over the course before the race actually begins. **DO NOT ALLOW CARS TO DRIVE ONTO THE COURSE.**

THE RACE:

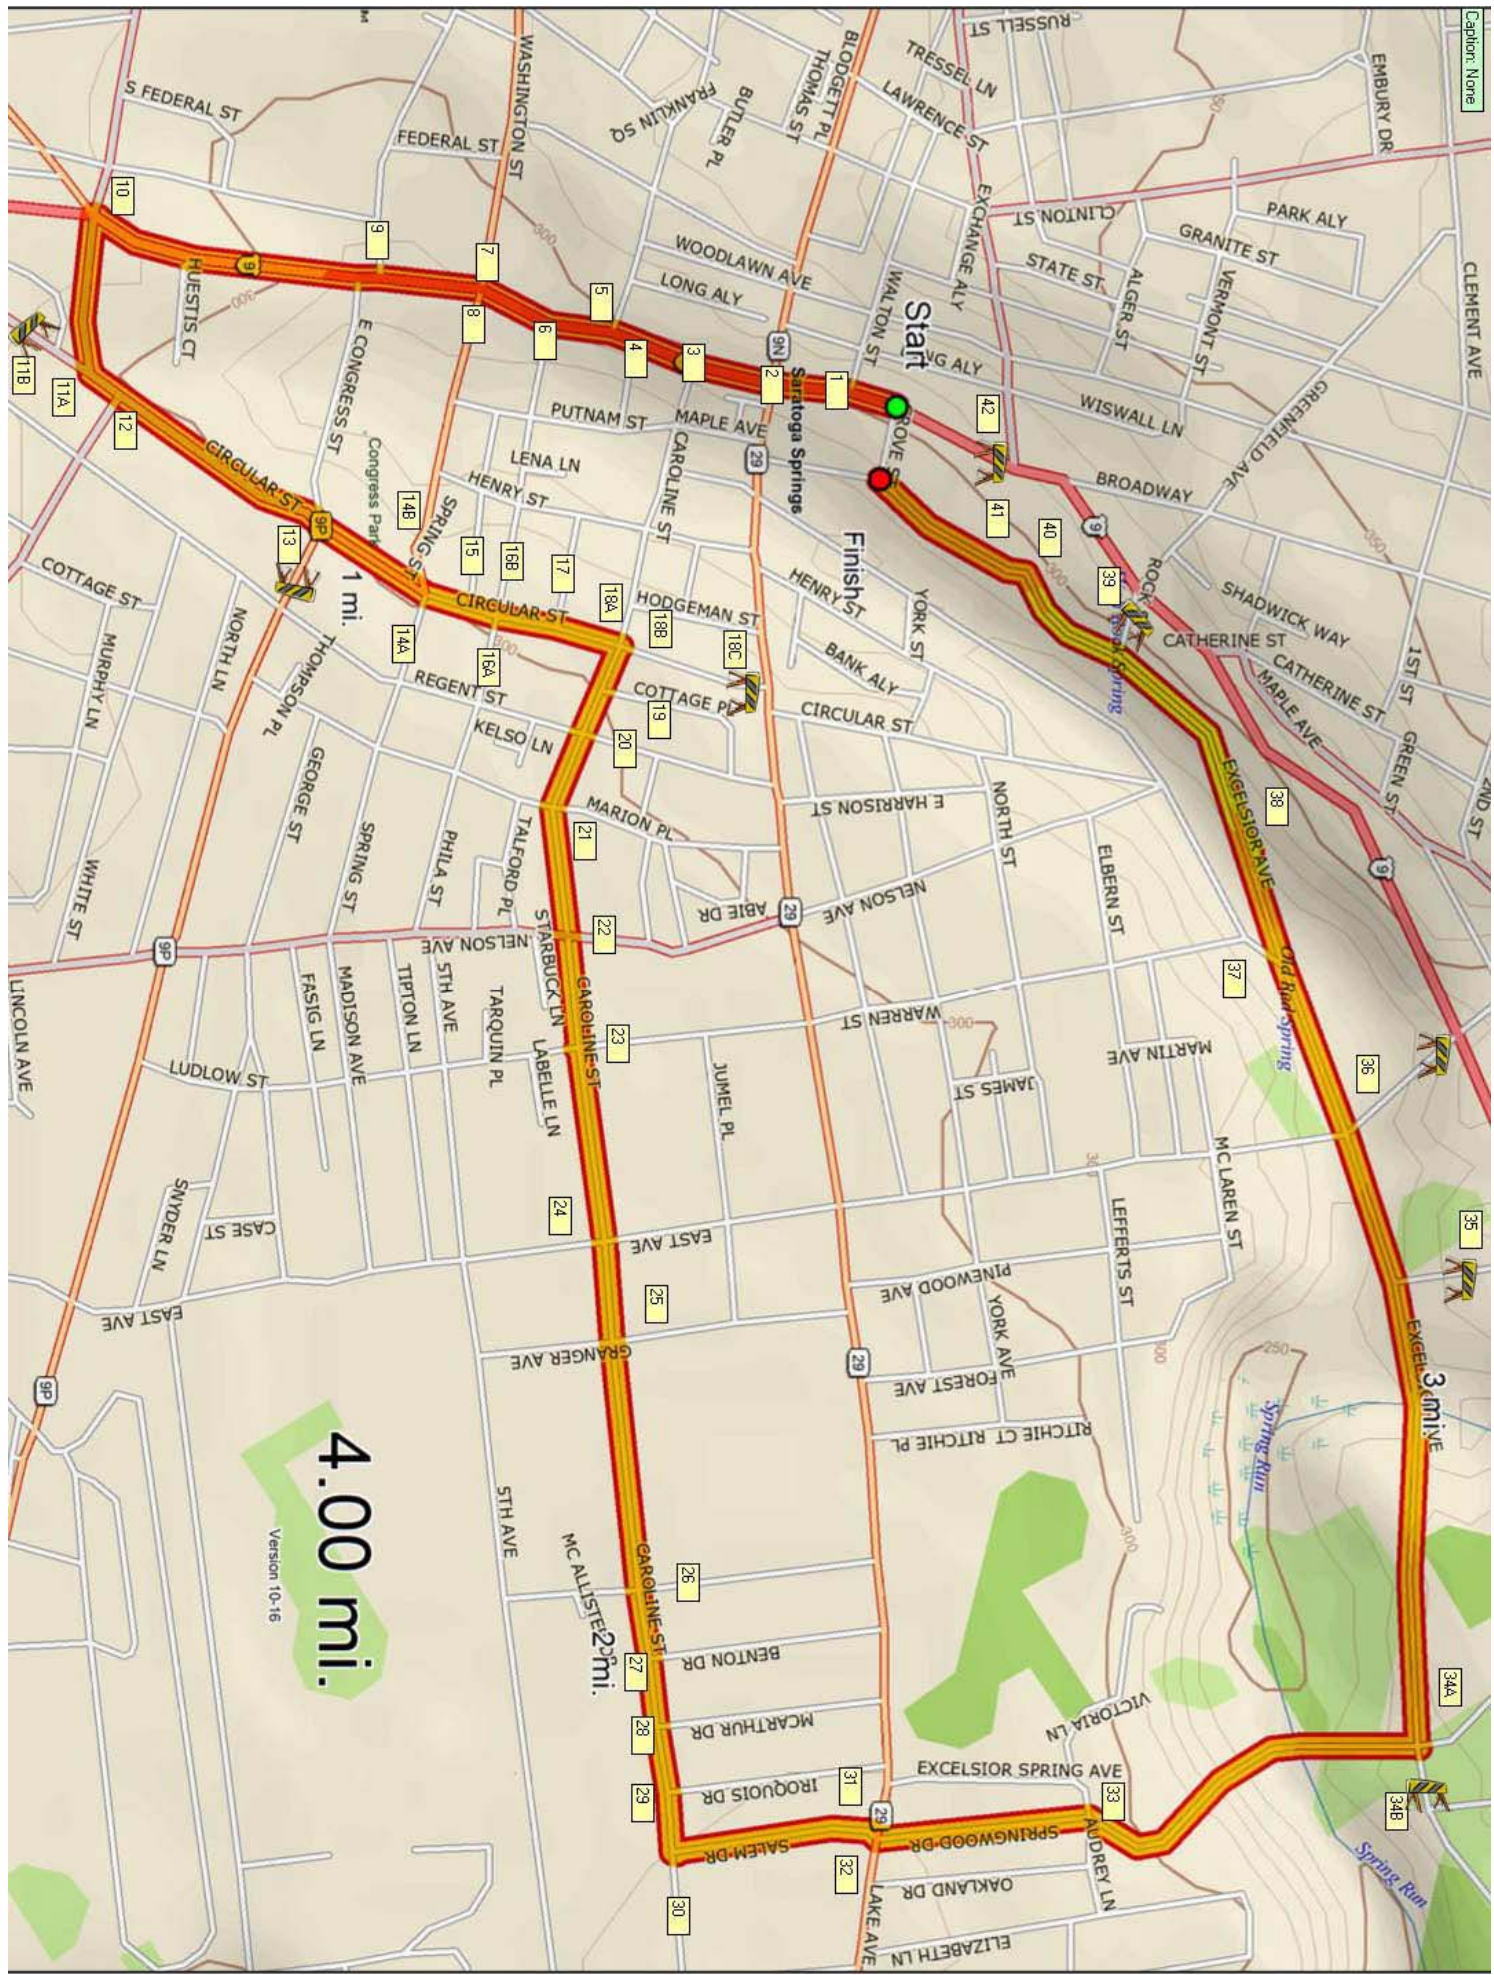

Once the race begins, you will see the flashing lights of the lead police car, prior to the first runner.

STOP ALL TRAFFIC: Do not allow any traffic to cross the course or turn on to the course in either direction. Be courteous to the drivers and explain the race will be over shortly.

It could take up to 60 minutes for all the runners to pass your intersection, depending on your location. When the police car following the last runner passes, move the traffic cone or barricade to the side of the intersection and return your vest and flag to the location where you picked them up.

THANK YOU VERY MUCH FOR YOUR HELP IN SUPPORTING THE FIRECRACKER 4
